

## Tracy Gregorio Named a 2025 Enterprising Women of the Year Award Winner

Virginia Beach, VA, USA (26 February 2025) – Tracy Gregorio, CEO of G2 Ops, Inc., has been named a winner of the 2025 Enterprising Women of the Year Awards, an annual tribute to the world's top women entrepreneurs. Tracy will be recognized at the 23rd Annual Enterprising Women of the Year Awards Celebration & Conference, for her leadership in the \$25-\$100M revenue category.

The event brings together dynamic women from around the world to share business insights, expand their networks and deepen mentoring commitments. It will be held from Thursday, March 27th to Saturday, March 29th, 2025 at the Grand Hyatt Hotel in Nashville, Tennessee.

"Tracy Gregorio is an accomplished business owner and leader in her field. We are so proud to recognize her contribution to her company, her community and as a role model and mentor to other women and girls," said Monica Smiley, CEO and publisher of Enterprising Women.

In response to this recognition, Tracy stated:

*"I'm incredibly honored to receive the Enterprising Women of the Year award. This recognition is a testament to the dedication, innovation, and hard work of the entire G2 Ops team. Our success is driven by the talent and commitment of our people, and I'm grateful every day to work alongside such an exceptional group.*

*As we continue to grow, I remain committed to mentoring and supporting the next generation in business and technology, just as so many have done for me."*

The Enterprising Women of the Year Award is widely considered the most prestigious global award recognition for accomplished women entrepreneurs. To win, nominees must demonstrate that they have fast-growth businesses, mentor or actively support other women and girls involved in entrepreneurship and stand out as leaders in their communities. Many of the honorees also serve as leaders of the key organizations that support the growth of women's entrepreneurship.

*G2 Ops leverages over a decade of experience integrating Systems, Cybersecurity, and Software Engineering techniques to provide solutions to a growing list of Government and private customers. We combine cutting edge tools with innovative engineering practices, data analytics, and risk algorithms that enhance visibility into complex infrastructures, optimizing resiliency in system design and operations.*

*G2 Ops is a woman-owned small business led by an executive staff known for providing innovative solutions to solve our nation's most complex engineering challenges. G2 Ops has been named to the Inc. 5000 list of America's fastest growing companies each of the last 7 years (2018-2024) and has locations in Arlington, VA, Virginia Beach, VA, and San Diego, CA.*

*Enterprising Women, with headquarters in Cary, North Carolina, is the nation's only women-owned magazine published exclusively for women business owners that chronicles the growing political, economic and social influence and power of entrepreneurial women. The magazine provides a friendly meeting place, a public forum and a national stage for the critical issues confronting women's businesses and daily lives from the unique perspectives and experiences of entrepreneurial women. Published in both print and digital editions, the online edition of the magazine reaches one million readers in 185 countries.
